Hi Tom: RACER is in receipt of Eric's letter and the draft RD AOC and SOW.

Can you please let me know if Region 2 has, as of today, issued Special Notice letters to any of the parties named as defendants in RACER's cost recovery/contribution action? If such letters have not been issued as of today, can you please tell me whether and if so when the Region will be issuing them?

Thanks very much. --Carl

Dear Mr. Mullen:

Attached please find a letter and enclosures that relate to Ley Creek Deferred Media (LCDM) portion of the General Motors – Inland Fisher Guide subsite of the Onondaga Lake Site. If you have any legal questions or would like to discuss this matter with EPA, please contact Ms. Ludmer. Should you have any technical questions regarding LCDM, please direct them to Ms. Sacks.
